Subject: CORRECTION LETTER—Tentative Approval—Reclamation Surety Required, Intrepid Potash-Wendover, LLC, Potash Mine, M/045/0002, Tooele County, Utah

Dear Mr. York:

The letter sent to you April 15, 2009, required a reclamation surety in the amount of \$5,987,383.00. **This amount is in error; the correct amount is \$6,334,000 which includes surety changes requested by the BLM and escalation to 2013.** Please submit the surety and the reclamation contract within the next 30 days. The Division and the BLM need to be named as co-beneficiaries on the surety.

The April 15 letter also requested changes to the NOI. These changes are still needed.

I apologize for the error in the surety amount. If you have any questions or need assistance with the surety or reclamation contract, please contact the bond coordinator, Penny Berry, at (801) 538-5291 or e-mail bondcoordinator@utah.gov. Thank you for your cooperation.

Sincerely,

Paul P Baker
Minerals Program Manager
